

For the use of a Registered Medical Practitioner or a Hospital or a Laboratory only  
**Carboxy- methylcellulose Sodium Eye Drops IP 0.5% w/v**

**LUMIGEL OMEGA**<sup>TM</sup>

लुमिजेल ओमेगा  
Eye Drops

**Composition:**

Sodium  
Carboxymethylcellulose IP 0.5% w/v  
Sterile Aqueous Vehicle q.s.  
(Preserve the solution with  
Ionic buffer system)

**Inactive Ingredients:** Glycerin IP, Virgin  
Linseed Oil BP (Omega-3), Levocarnitine IP,  
Polysorbate 80, Erythritol USNF, Trehalose  
USP with Ionic buffer system.

**Pharmacological Action:**

**LUMIGEL OMEGA** is a lubricating formulation that provides immediate relief and long-lasting protection against dryness and irritation to patients with moderate to severe dry eye symptoms. The active ingredient Carboxymethylcellulose sodium is a viscosity enhancer. It increases the retention time of **LUMIGEL OMEGA**.

**LUMIGEL OMEGA** is an extra strength formulation containing 0.5% Carboxymethylcellulose which increases the viscosity of the solution and gives prolonged contact time. **LUMIGEL OMEGA** combines the convenience of a liquid eye-drop with the long lasting benefits of a gel.

**LUMIGEL OMEGA** contains a mild non-sensitizing preservative, i.e. Stabilized Oxychloro Complex (SOC). After administration SOC changes into components of natural tears (Sodium chloride+ Water).

**Indications: -**

For the temporary relief, burning, irritation and discomfort due to the dryness of the eye or due to exposure to wind, dust, sun, etc. **LUMIGEL OMEGA** maybe used as a protectant against further irritation.

**Dosage:**

As directed by the Physician.

**Contra-indications: -**

Hypersensitivity to any of the ingredients of the formulation.

**Drug-Interactions: -**

Not known.

**Pregnancy and Lactation: -**

Safe use during pregnancy and lactation has not been established.

**Side-Effects: -**

**LUMIGEL OMEGA** is generally well tolerated but occasionally stinging, burning, red eyes or allergic reactions can occur after instillations.

**Warnings: -**

If one experiences eye-pain, changes in vision, continued redness or irritation of the eye or if the condition worsens or persists for more than 72 hours, administration of **LUMIGEL OMEGA** should be discontinued. If solution changes its colour or becomes cloudy, do not use. Keep out of reach of children.

**Precautions:**

Do not swallow the eye drop solution.  
Close the bottle immediately after the use.  
Do not use after the expiry date marked on the product.
